

Attending an ISA Instructor Course
or an ISA Workshop?

Register with the ISA

It's FREE to Register

It's Simple to Register

If you have not already done so you will need to register with the ISA

This will ensure that your correct details are on the ISA Database

How To Register

Do Nothing If...

You are already an ISA Instructor : you are already registered with the ISA

OR

You previously attended an ISA Workshop : you **may** already be registered with the ISA

OR

You are a Committee Member or hold an ISA Position within your Organisation : you **may** already be registered with the ISA

How To Check:

As per instructions below input your email address and click the option to

"Verify email and proceed with registration".

If you are already registered you will get the message:

"You are already registered in ISA. If you forgot your password, please check your email. There should be a reminder message from our system with username and password provided"

How To Register:

- Go to the ISA Home Page : www.sailing.ie
- Click the option to Login : located at the top right hand side of the screen.
- A new window opens : click the option to *"Register with the ISA"*
- Input your email address and click *"Verify email and proceed with registration"*
- Input your personal details and click Register.

Please Note:

The name you supply will be the name used when printing your Certificates.

The postal and email addresses you supply will be used by the ISA to contact you.
